On-Line Guided Meditation and Reflection

Monday, November 9th at 7:00 pm

Join us for a short on-line guided meditation focused on a virtue. Virtues are linked to our health, healing, and expansion of consciousness. Focusing on a virtue opens our hearts and helps us to be receptive to our higher intuitive mind and intuition.

Year-End Meditation and Reflection

Monday, December 14th at 7:00 pm

An evening of reflection, gratitude, meditation, and hope. Join us for a guided meditation to receive the blessings of this sacred time of year.

We will review and reflect on the past year, and set our intention for 2021. As we near the Winter Solstice, which is the shortest day of the year, the days will begin to grow longer. Many traditions celebrate the birth of the physical sun as symbolic of the return of the Inner Light. The Winter Solstice reminds us that there is a divine consciousness within that seeks birth. It is the beginning of a new cycle.

May the awakening light keep the flame of the Christ light burning within your heart.

1000 Women in Religion Project

Did you know that as of February 2018, 17.49% of biographies on Wikipedia were about women? **The Women's Task Force of the Parliament of the World's Religions "1000**

Women in Religion Project", seeks to increase the number of Wikipedia biographies about religious, spiritual and wisdom women. Recently, I became a Wikipedia Editor, so that I can contribute to this project. This seems like an exciting effort and I will keep you posted once I learn to publish and edit new biographies.
