The Spark

February 2021

Dear Friends,

We resume our guided virtues meditation on Monday, January 25th at 7pm.

For 2021, I will be offering a monthly WebEx Meher Baba study group. This study group will meet the first Monday of the month. In February, we will read and discuss the *Discourses* topic "The New Humanity".

If you are interested in these topics, please contact me. We can set the dates and times based on interest:

- **Meditation: Turning Within (Part 1 and Part 2)**
- **Reconciliation of Opposites: Clearing the Shadow and Transcending Duality**

May you find peace during these challenging times.

On-Line Guided Meditation and Reflection

Fourth Monday of the Month at 7pm

Our first meeting will be held Monday, January 25th

January Virtue: Unity

February meeting: Monday, February 22nd

February Virtue: Flexibility

Join us for a short on-line guided meditation focused on a virtue. Virtues are linked to our health, healing, and expansion of consciousness. Focusing on a virtue opens our hearts and helps us to be receptive to our higher intuitive mind and intuition.

We will meet just once a month--the fourth Monday. Please RSVP to marilyn@radiant-light.org and I will email the WebEx link and instructions.

Meher Baba's Message of Divine Love

Discourses Study Group

First Monday of the Month at 7pm to 8:15 pm
Our first meeting will be held Monday, February 1st.
February topic: The New Humanity

This WebEx meeting will be a shared reading of Meher Baba's Discourses, 7th edition. We will share reading, and have open discussion on the chosen topic. You are welcome to read along with other editions, or just listen to readings.

This meeting is open to anyone interested in learning more about Meher Baba's message.

Please RSVP at marilyn@radiant-light.org, and I will email you a WebEx link for the meeting.

"I have come to sow the seed of love in your hearts, so that, in spite of all superficial diversity which your life in illusion must experience and endure, the feeling of oneness, is brought about amongst all the nations, creeds, sects and castes of the world." Meher Baba

"I have not come to establish any cult, society or organization; nor even to establish a new religion. The religion that I shall give teaches the knowledge of the one behind the many. The book that I shall make people read is the book of the heart that holds the key to the mystery of life" Meher Baba

Ponder This

Be ahead of all parting, as though it already were behind you, like the winter that has just gone by. For among these winters there is one so endlessly winter that only by wintering through it will your heart survive.
