Guided Virtues Meditation

Wednesday, November 17th at 4:30 PM.

All are welcome to join our on-line guided meditation focused on a virtue. Virtues are linked to our health, healing, and expansion of consciousness. Focusing on the virtues opens our hearts and helps us to be receptive to our higher intuitive mind.

Year-end Meditation and Reflection

Wednesday, December 22nd 4:00 to 5:00 pm

Join us for a guided meditation to receive the blessings of this sacred time of year. We will review and reflect on the past year, and set our intention for 2022.

At the time of the Winter Solstice, the days will begin to grow longer. Many traditions celebrate the "birth" of the physical sun as symbolic of the return of the Inner Light. The Winter Solstice reminds us that there is a divine consciousness within that seeks birth. It is the beginning of a new cycle.

2021 Parliament of the World's Religions

I attended the virtual Parliament of the World's Religions. About 5,000 diverse people of the world's global interfaith movement celebrated the work of religious and spiritual communities striving toward a more just, peaceful, and sustainable world. As videos from the 2021 Virtual Parliament are published, I will share them with you.

Ponder This

The secret to healing can be found in the absence of reactions. When we fall into conflict we tend not to see beyond, but when we manage to be attuned to higher guidance, when we manage to realize that the situation of conflict is an illusion; when we make contact with higher levels of existence; difficulties do not last.
