Guided Virtues Meditation

Wednesday, January 19th at 4:30 PM.

Join us for an on-line guided meditation focused on a virtue. Virtues are linked to our health, healing, and expansion of consciousness. Focusing on the virtues opens our hearts and helps us to be receptive to our higher intuitive mind.

Meher Baba's Message of Love and Truth

Wednesday, January 12th at 4:00 PM.

All are welcome to learn about Meher Baba's life and message of divine love. Email Marilyn to receive the link for this meeting. marilyn@radiant-light.org

[This is an introductory meeting about Meher Baba.](#)

All are welcome. No fee for this session.

Meher Baba lived in India from 1894 to 1969. He observed silence from 1925 until his passing in 1969. Regarding his silence, he stated, "You have asked for and have been given enough words—it is now time to live them".

"I have not come to establish any cult, society or organization; nor even to establish a new religion. The religion that I shall give teaches the knowledge of the one behind the many. The book that I shall make people read is the book of the heart that holds the key to the mystery of life"

Meher Baba

Ponder This

"I have come to sow the seed of love in your hearts, so that, in spite of all superficial diversity which your life in illusion must experience and endure, the feeling of oneness, is brought about amongst all the nations, creeds, sects and castes of the world."
